THE BEST INTERNSHIP ALWAYS HAS A 'YOU' IN TEAM. SHARE YOUR PASSION.

We believe in creating an environment where our students really can learn by doing and where they are given their own areas of responsibility right from the start of their time with us. That's why our experts will treat you as part of the team from day one, encourage you to bring your own ideas to the table – and give you the opportunity to really show what you can do.

Intern: Aftersales - Technical Support (f/m/x)

What awaits you?

- Technical Campaign Communication with dealers and importers
- Focus on Battery Electric Vehicles (BEVs), which are technically complex
- Delivery Stop Activities Management

What you should bring along?

- Degree in a relevant field
- Electrical engineering knowledge especially in power electronics, battery technology, vehicle control systems
- Competence in Microsoft Office Software (PowerPoint, Excel,...)
- Communication skills to coordinate technical topics
- Passion about cars and the automotive industry

Details:

- Full time internship, 5 days a week
- 6 months minimum
